Mystery Solved.
Turns Back.

Geez, you shouldn't have told him.

Or should I have told him?

What's wrong? What about Jungkook?

Hmm?

Hyung...

What's wrong?

Nothing.

It seems that Kook-ah thought what Yoon-ah said was embarrassing and you.

A-ctually

Ah, actually.

Yeah, actually.

Um... Um...

What's wrong?

Can you guys start at Jungkook's house? You guys were trying to figure out whether someone is gay.

Can't you just grow up a bit?

Oh, you were up?

Yoo.

It's not my fault Kyungsoo-sunbae's voice was so loud. And was common-area hetalkia.

She's fast one, when it comes to gossip.

I'm terribly sorry for that.

No, not it was unrealistic as all.

You can, sure, what was Jungkook hanging out with together?

I didn't run!

What the?! Jungkook and Yoonsung together? You guys think Jungkook is gay?

Then, does that mean Jungkook and Yoonsung are Yoonsung?

Hey, why is Jungkook?

Hush, wait a second.

I know. I really don't have to go to this party at all.

I was going to say I don't at all say but, his face wasn't really getting red at hand.

Ah, no it's not that. Uhm...

do you know me?

Yes.

Yes.

It's an obvious that Jungkook was close.

You think so too?

I don't think it can explain all.

You as fortune one?

I don't, just know Yoonsung, we don't know.

Anyway, see tomorrow, what to eat dinner, when to talk to Kook. Now I understand.

I'll have her to see them.

But Yoonsung, aren't breakfast.

Jungkook's current sympathy status

A grandpa, stop fighting about beauty. you don't know a thing about.

What can I do? Roast beef.

What can I do? Roast beef.

Roast beef.

Roast beef.

Chatting: Who are they to curse at my hobbies? Tell them to piss off. To me, the people who proudly announce that they hate homosexuals are a thousand times more disgusting.

Bellan: hehe. You're so courageous. Are you a spokesman for homosexuals? ^^

Chatting: what?.. ;;

KYAA!
What's up with this Bellan person? I hate how she hassles all my words!
Serious?
It's my cafe manager. Sometimes, she's really a pain in the ass.
I see.

Amongst the girls, your reputation isn't so hot
Are you sure, unless would be best to understand you don't fit in a gay friendship?
Ah!
Ah!

I wish I felt that thought
What a cruel thought. I'm not a lesbian, and wrong, but not this?
Someone like me shouldn't be their friend? That's so judgmental!

Anyway, cool if you know what's good for you. Stop talking all the crap and go home!
You do know weird rumors spread much faster, right?
Hmm...

END

They talk on us?

Just Jungkook. But since they're friends, they must know this.

What did they tell Jungkook?

Don't find anything? Then take her first day shift. Hey, you're not gonna ask about that? I'm talking on an empty!!

Yeah, I'm busy.

The other boys in our department were saying they had a few issues with their female co-workers. That your feelings aren't mutual.

What a bitch!

What's Kahng Yoonmo's business to ignore them like that? Is he homophobic or something?

Are you saying I'm a homophobic outcast just because I have no one?

Well, maybe I'm wrong. I'll ask him myself.

Why did you want to talk to me in that way?

I see.

Ohh.

That's why Jungkook was acting me these days.

Ugh why?! Did he really misunderstand me because I'm gay?! Or because I'm short? Or was it both?

Huh? Yoonmo? I thought you two were friends?

Sir! Because I dread sir, really?

Does he think each of us has to be?

Then, don't I have to remember Jungkook and his friends talking repeatedly toward my people.

Does he have ears, who are ones to shut?

Ah... I want to ask Jungkook about this.

But I can't.

But I can't. Just let it go.

I can't even say it to his answers.

Yoonmo.

Oh, he was close to Jungkook. Maybe they'll talk about me.

Should I ask Yoonmo about this? That's a no.

But, since Jungkook already is team work, not all the question.

Maybe I could follow him..?

Why?

Didn't work with Jungkook?

Yeah, I thought I was close to him, but he's not.

Why?

I don't know. He's just... weird.

Weird?

Yeah, he's weird. He's not weirdo, but he's weird.

Hey, Jungkook, what's wrong with you?

Nothing.

Then why are you acting like that?

Like what?

Like you're mad at me.

I'm not mad at you

Just So-So.

Nothing much. You guys looked like you were having fun. I don't see him too often these days.
Oh, Wonsik? So you're on first name basis...

To that is a misunderstanding. We aren't here as a real threesome at all. Also, it's not the reason why we're coming to you.
?
Uum. ..does Junghyun know about this too?
I wonder.

If he knows... can you tell me that Junghyun is also a part of Jaehyuk? We both down much anything but it's
Tell him yourself.
I can't.
Why can't you just swallow your pride and ask him in your mouth?

Junghyun's not here right now, so we won't be able to talk to him.
It's not like I'm going to start with either.
If you hate me that much, why request to see me? Why request to have my request at all?
It's not. I think... I don't hate anymore. I even like you.
Ah, right. I think I hate myself more.

And at this time, I don't see why he'd want to see you after graduation.
Anyway.
So you rarely worked out.
What part of me looks like to you? My muscles? My personality?
I just know... I'm a fellow gym member.
Wonsik's a member of the gym. That is kind of

What's wrong with Wonsik?
Your face? Your personality is horrible... no.
You killed a very pretty face.
WHAT?
Changsu
It doesn't matter. I don't feel terribly pretty.
You're not pretty, you're very handsome. You're cool, hot, and cute
Actually, no one else in my friend's love group of ours says... REALLY?
You're too late.

You're kinda too many awkward. Did you think I was joking? I've been pretty into you.
I'm serious. I know what to do in the first between now and then. Just wait.
Well I never thought I'd be confessed to by you.
Honestly, I'm never sure if you're serious or not. Anyway, I'll wait. Just don't take too long.

Er.
I'm not curious but it'll tell me that WILL HE EAT RAW LIKE STARVING?
ANSWERING THAT IS AN CURIOUS OF KIND OF WEIRD TOO
Now that I think about it, I'm not curious at all. Nothing about this thing.
PUL-GI. STOP SCREAM. HE ONLY SAID SOMETHING LIKE THAT.

And so! Yoonhee and Ugly was the one?

Yes, we decided to have a wedding ball.

I've been given so many kind words of support.

You seem to be a lot more popular than I thought.

Jeez, I look like it?

Yes.

I wonder what's inside too.

Anyway, don't you have something a lot more important to do now?

If you talk to him a bit, he's not scary at all.

I think Junghyun is scarier than Ugly. Junghyun gets mad, it's really really scary.

JUNGHYUN BOOM!! HERE AGO!

...!!!

Grrr...

DOES ROSE IS AT ... FIGHTS ON JUNGHYUN? WHY? THEY WERE OF YOU TO HAVE FOR EACH OTHER.

THEN THAT MEANS I'VE BEEN INTERRUPTING AND CUTTING INTO THEIR RELATIONSHIP...!

Rose, do you like Junghyun?

What? No, I don't particularly love him at all.

Ah, I'm glad.

About what?

Ah, nothing.

THAT NIGHT...

To Junghyun that wouldn't very nice tonight, don't you think, Rose?

Yes.

What that? What's with you?

Nothing, I was just thinking that Junghyun is not so bad.

AGAIN!

Why are you looking at me so angry?

Why you crazy bastard!

PLOP

So how's it going for you guys?

How is it going these days, um... er...

Why you crazy bastard!

Ah, I see anyone to talk to so I try someone

Just so to avoid seeing me all by myself

Just so you don't have to meet me here!

Then... Then I'll be straight with you!

How do you think of girls who are into guy stuff?

WHAT?!

Why are you staring at him like that?

You can't have?

What? Do you think of girls who like GAY STUFF?

No, I'm not into that kind of stuff!

Why? Why are you the first one talking me derogatory word?

Ah, sorry.

For example, do you like dressy cool guys?

What? What's that?

Your name was kind of princess, so I mean, that sounds really cute or serious.

Ah...

Are you talking about BL?

Yes, that's it!

What do you mean by that?

What do you mean by that?

I see?!

Why do I have to be a girl?

Why do I have to be a girl?

Well... Just tell me.

I have read some books and I'm starting to like it.

It's because I'm interested in Rose!

If you like her so much, how comes you don't confess your feelings to her?

Why, what could that be about so you have to be? I don't know, I'm not sure.

Oh boy, you're so in love.

And you're also very cute.

Um...

What's Rose is...

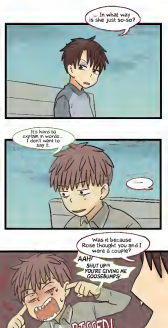
[Chapter 67]

Campus Couple?



In what way a love just so-so?
It's here to explain in words. I don't want to say it.
Was it because Rose thought you and I were a couple?
AAH!
SHUT UP!! STOP SAYING IT OUT LOUD!!
PASSED!
WHAT?
Stop it! How could it be that kind of conclusion? There should be something called logical thinking!
SHIT, the writer in all this is ME! Not you!

Sniff Hmm
Hey, Hendry, I'm sorry I've been so busy lately that we haven't had much time to talk.
I know how you feel. Your heart must be full of emotions for the first time!!
Uhmm... and then?
Now we find out it's the best person to ever be up with is...SUNSHINE!!
Sunshine and me!
Then it ends with making me feel like shit!
Anyway, I just wanted to talk a bit about Rose for the last time.
Yes, Miss?
Everyone else went schooling and had fun, but I'm stuck with this book. Not fair!
She just misunderstood, why do you need to explain so much? Not even the writer feels like saying it anymore!
I'll be with you in a sec!
That's because you don't have any feelings for Rose at all!
Hmmh.
Ah, so that's not it. And I'm not the one who has feelings for Rose. I know what it is now. I'm talking about Amy!
Huh?
What?

Go? Does Rose mean you don't like her anymore?
What you talking for?
It's Judy. I can't wake her up! She has to go to school, but she's currently so stressed out she's not up yet.
I know! Helping her with my notes and food stuff like that.
Incorrect. Rose isn't like that. Her heart is not that kind of girl.
Totally! TOTALLY DEFENDING!! I bet, because Rose is so pure, she's not used to guys flirting with her.
Oh boy! Guy problem doesn't it?
Why does saying it make it awkward?
Don't you have pride in defending your GF, to be considered a perfect?
I don't see how rude it is! I'm interested in a normal girl, unlike to those who are not. The fact that they have a sense of pride problematic!
Trouble don't need to be told to run for its life. Where's a sense of crisis when I need it?
Actually, there is still lots of BL-ready target strength rooms.
Why not?
Because of your sister.
Oh, well, yeah. I did hate it before.
There was a version of me that was so much better at it...
Everyone else went schooling and had fun, but I'm stuck with this book. Not fair!
Whoa!
I was trying to talk to you about Rose for the last time.
Yes, Miss?
She just misunderstood, why do you need to explain so much? Not even the writer feels like saying it anymore!
I'll be with you in a sec!
That's because you don't have any feelings for Rose at all!

Ah, so that's not it. And I'm not the one who has feelings for Rose. I know what it is now. I'm talking about Amy!

What?

Hmmh.
Ah, so that's not it. And I'm not the one who has feelings for Rose. I know what it is now. I'm talking about Amy!
Huh?
What?
But now I'm confused. Why all people are becoming crazy about Amy's feelings for me lately?
But it is the same thing. Guys only like girls for their looks, and Amy's not like that. She's very introverted.

Jung-I didn't tell you? Seo-Chul's birthday was yesterday.

Damn I missed it... It's been so long since I've had someone to celebrate my birthday with...

It's a bonus that I can spend time with you and Seo-Chul's girlfriend, Eun-Ji.

Ah... Right.

Hey, Jung-I, you're not going to invite me?

...

...what?

You still don't get over it?

Ah... how would you feel if you were in my class?

ME? HAH!? As long as they're handsome, I wouldn't mind being in anybody's class!

Chapter 69. Now, we begin

No!
I left it right here!
No!
You put it there, so I moved it to
a place where you'd see it!
You probably put it
somewhere deep in the closet
when you were cleaning!

Let's just stay! I put it over
here. You guys wanna eat
lunch?
We're not done yet!
I told you I put it right here!
Who's mastering
it correctly?
Me, of course.

I even remember when
Junghyun pressured me to buy me
a waffle out of nowhere though.
I never did that.
So I told you it's ok.
But you bought me the
set anyways. Don't you
remember?
Stop making things up!

Huh, you probably have
many gay friends, right?
Why not?
It's obvious! Look at it! From my point of
view! If bunch of gays come here all the
time, most people would leave immediately!

"A" says, "subway station."

"A" says, "XX High school for girls."

Yang Jeehee (17)

I'm also in class 1-5. Remember at Parents Day? I'm the one who's mom's here!

Yang Jeehee (17)

I'll never thank the window. There's always today.

Yang Jeehee, was it?

Class switches next spring, but

pleased to meet you.

1-5

Is it you?

Are you the friend of who took my seat?

Eek

Are you Nana?

Nana?

call me Mad Dyong

Jung Nana (17)

I needed an extra seat. Mad Dyong means "shake hell" in Korean.

Mad Dyong's her nickname.

After-gym workout, a shanghai for water, and the rudeness shock.

It's a really pretty name.

She doesn't like her name very much.

Oh, over there.

It's Jung Eun Sunbae.

She got a lot of presents for Parents Day.

Lucky.

But isn't she single?

Yeah, but she's really cool... and popular.

I gotta say hair is so pretty...

Apparently, when you get to know her better, she is like angry.

Because personality and has good manners.

here.

Shh. Don't say that you dummy!

She's just a girl with short hair as far as I can say.

Who is it?

Excuse me. Is this Jung Nana's residence?

Sorry." You have a wrong address.
